

The New Learning Hub Admin Guide

Overview of Key Learning Hub Pages

Overview of Main Pages

You can watch this short [Learning Hub launch video](#) for an overview of the Learning Hub.

Homepage

Your homepage on the Learning Hub will be personalised for you where you will see recommended learning based on skills and topics of interest you have added in your profile as well as courses applicable to your role and your department. You will also be able to see courses that you have outstanding as part of your mandatory learning.

Take a look at the '[Overview on the Home Page Video](#)' for further understanding.

Learn Page

On your Learn Page, you will be able to see courses that you have started and are in progress at the top. You will also see your previously completed learning at the bottom which you can filter by month to see your completion history detail.

Take a look at the '[Overview on the Learn Page Video](#)' for further understanding.

Profile Page

Your Profile page allows you to add information about you, your topics of interest (that will help you see more relevant learning) and you will also be able to see the activities you completed or engaged in.
